

BRAKE, EXHAUST & POWER STEERING

BRAKE & PARTS CLEANER 600ML

Packaging 12 X 600ml

- Multi-purpose parts cleaner
- Degreases
- Fast acting and drying
- Powerful solvent formula
- 360° spray action allows aerosol to spray in all positions

BRAKE & PARTS CLEANER 5L

Packaging 4 X 5l

- Multi-purpose parts cleaner
- Degreases
- Fast acting and drying
- Powerful solvent formula
- 360° spray action allows aerosol to spray in all positions

COPPER GREASE 100GM

Packaging 12 X 100gm

Anti seize assembly paste that offer long lasting lubrication under extreme friction, wear & high temperature situations Prevents brake disc squeal and corrosion Operating temperatures -35°C to +1100°C

FIREGUM 150G

Packaging 12 X 150g

- Quick and easy-to-use exhaust assembly/reassembly paste
- Seals joints and exhaust components together
- Creates a gas tight seal
- Permanent repair guaranteed
- Resists heat and vibration

GUN GUM 200G

Packaging 24 X 200g

- Gun Gum exhaust repair putty works quickly to seal holes in the exhaust and create a gas tight seal in minutes, guaranteed
- Quick and easy to use
- Creates a permanent gas tight seal
- Suitable for use with Gun Gum accessories range

DOT 4 BRAKE FLUID 355ML

Packaging 6 x 355mls

Prestone® DOT 4 Motor Vehicle Brake Fluid delivers enhanced performance vs. DOT standards, benefitting all vehicles calling for DOT 4. This synthetic fluid starts with a higher dry boiling point than the DOT minimum standard to protect against overheating, brake fade and performance decline due to water absorption.

POWER STEERING FLUID 355ML

Packaging 6 x 355ml

- Prestone® Power Steering Fluid (PSF) delivers increased system life. Designed with Anti-Wear System Protection, Prestone PSF protects against pump failure, squeals and clogs.
- Provides Anti-Wear Protection for increased system life. This protects against pump failure, squeals and clogs. Corrosion protection for metals, rubber & gasket components.

AUTOMATIC TRANSMISSION FLUID BOOSTER 250ML

Packaging 6 X 250ml

- Excellent anti-wear properties providing additional protection to components and improved friction performance for enhanced driver comfort.
- Compatible with all automatic transmission fluids (ATF).

AUTOMATIC TRANSMISSION FLUID FLUSH 250ML

Packaging 6 X 250ml

- Ensures optimum performance of the new fluid.
- Compatible with all automatic transmission fluids (ATF).
- Safe on all seals.

BRAKE, EXHAUST & POWER STEERING

POWER STEERING BOOSTER 250ML

Packaging 24 X 250ml

- Excellent anti-wear properties provide additional protection for components
- Improves friction performance for enhanced driver comfort
- Compatible with all power steering fluids

POWER STEERING FLUSH 250ML

Packaging 24 X 250ml

- Ensures optimum performance of the new fluid.
- Compatible with all power steering fluids.
- Safe on all seals.

WR BEARING GREASE 400GMS

Packaging 12 X 400gms

- Suitable for lubrication of slow moving plain, needle, ball and roller bearings of all types.
- Fortified with rust and oxidation inhibitors and has a great resistance to water.
- Suitable for lubrication of slow moving farm machinery, heavy construction and industrial equipment.

BRAKE PARTS & CARB CLEANER 400ML

Packaging 6 X 400ml

- Fast drying
- No residue
- Cleans without stripping

Price per case
6,612.00

POWER STEERING STOP LEAK 125ML

Packaging 24 X 125ml

- Prevents and stops oil leaks without dismantling.
- Revitalises rubber and neoprene seals and "O" rings.
- Cleans and protects the system by means of detergents and dispersants.
- Smooths and quietsens power steering action.

Price per case
30,624.00

POWER STEERING & ATF CONDITIONER 375ML

Packaging 12 X 375ml

- Eliminates Power Steering stiffness, shudder and noise
- Provides smoother operation of power assisted steering & auto-transmission gear changes
- Prevents ageing and oxidation of automatic transmission and power steering fluids
- Prevents and cures oil leaks by nourishing the rubber/nitrile seals and O-rings

Price per case
35,496.00

AUTOMATIC TRANSMISSION AND POWER STEERING STOP LEAK AND CONDITIONER 325ML

Packaging 12 X 325ml

- Stops and prevents leaks and ease shifting of automatic gearboxes and power steering systems.
- Stops and prevents leaks in automatic transmissions and power steering systems.
- Revitalizes rubber seals and O-rings.
- Cleans and protects the system by means of detergents and dispersants.

BRAKE & CLUTCH CLEANER 500ML

Packaging 12 X 500ml

- Spray product for cleaning and degreasing of mechanical parts.
- Removes oil, brake fluid, grease and other dirt from metal parts.
- Eliminates dust from brake and clutch parts.
- Restores the friction of brake and clutch lining material.
- Avoids airborne asbestos dust.

CATALYTIC CONV/LAMBDA CLEANER 325ML

Packaging 12 X 325ml

- Optimizes the efficiency of the catalytic converter and ensures the optimal working of the lambda (oxygen) sensors.
- Optimizes the efficiency of the catalytic converter.
- Ensure optimal working of the lambda (oxygen) sensors.
- Improves cleanliness and reduces emissions.
- Restores engine performance.
